

Beanstalks:

New York Post, "The Hot List" New York, NY 12/19/07

About.com, "Most Unique Toys of 2007", 11/21/07

1. Daydream Toy Beanstalks - There was very close competition for this spot on the Top Unique Toys list between the Daydream Toy Beanstalks and SquashBlox, another product from Daydream Toys. After much deliberation..."

Roanoke Times, "What We Liked", Roanoke, VA 12/1/07

"My 14-month old daughter tested the Beanstalks, a 2-foot high stuffed humanoid creature that can stand by itself (sounds like my daughter). Made by Daydream Toy, Beanstalks are supposed to be life-size friends to little people."

TheWashingtonTimes.com Holiday Gift Guide, 11/26/07

"Standing in the corner or holding a child's hand, Daydream Toy Beanstalks are difficult to describe."

Play With Your Food:

About.com, "Most Unique Toys of 2007", 11/21/07

10. Play With Your Food Game - The Daydream Company is back again with a very unique game, unique and useful enough to include it in our Top Unique Toys list of 2007. Does your kid's dinner time always turn into a power struggle?."

"File this one under "Why didn't I think of that?!"

NJ.com "Parental Guidance" family blog of the *Newark Star-Ledger*, 9/16/07

"Parents make up lots of games to get their kids to eat. There's the airplane spoon zooming into baby's mouth; there's the spaceship countdown--3-2-1, blast-off! Now you can even buy a game to help."
